THE SHAFTESBURY HOMES 'ARETHUSA' TRAINING SHIP

The Newport Market Army Bands School, which is a branch of the above Society, is giving a good home to 78 poor boys, and at the same time training them for entry into Army Bands. Most of these boys are sons of soldiers.

Field Marshal Viscount Allenby in his report on his inspection of the School, states that the system of the School is evidently sound, with efficient instruction and supervision, and that he was favourably impressed by the smart appearance and demeanour of the boys, and by their keenness and interest in their work.

Funds are most urgently needed, and a special appeal is made to readers of the "Monthly Army List" to send donations, or better still, to become annual subscribers.

THE 0 MONTH ARM NOVEMBER, 1983

NOTICES.

FEB 1973

Under the provisions of the Army Act, 1881, Section 168(d), this Army List is evidence of the status and rank of the officers mentioned in it.

No Army List, except this List, its Half-Yearly Supplement and the Half-Yearly List, is authorised by the War Office.

The figures in square brackets thus [1] after the titles of Infantry regiments denote the former regimental districts to which the regiments belonged.

The badges, &c., borne on Regimental Colours are shown after the titles of Regiments, the "centre" badge being printed in heavy type.

The words subscribed to the titles of regiments, as "Peninsula," "Waterloo," "Neuve Chapelle," &c., denote the Honours awarded to such regiments in commemoration of their services. Those printed in heavy type are borne on their Standards or Colours, or, in the case of regiments having no Standards or Colours, on their Appointments.

Officers whose names are printed in italics are on the supernumerary or seconded lists.

In regimental lists of Foot Guards and Infantry an officer's battalion is indicated by a number in elliptical brackets, e.g. (2) after his name; a number enclosed in square brackets, e.g. [2], denotes that the officer is attacked and not posted.

Communications from Officers of the Militia, Territorial Army and Supplementary Reserve regarding the entry in this publication (a) of letters denoting military qualifications, and (b) of the symbol & denoting War Service, should be forwarded through the usual official channels. Other communications regarding alterations, errors or omissions should be addressed direct as follows:

> THE UNDER-SECRETARY OF STATE TATE, The War Office, London, S.W.1. Army List.

Officers who succeed to peerages, baronetcies or courtesy titles are responsible for immediately notifying the fact to the Under-Secretary of State, The War Office, in order that the necessary alterations may be made in the Army Lists and in the official records of the War Office.

# OFFICIAL HISTORY OF THE GREAT WAR

# MILITARY OPERATIONS

MACEDONIA. Vol. I.

The history of the campaign in Macedonia during the Great War will be completed in two volumes. This first volume follows the fortunes of the Armies in the field down to the Battle of Dojran in April and May 1917. On the political side it includes the deposition of King Constantine of Greece in June, an event which put an end to the division of Greece into two hostile camps and brought her into the War on the side of the Allies.

While the military problems are not less interesting and instructive than those of other campaigns, the student of political affairs will find in these pages an unusually detailed account of the effects of conflicting national policies upon the strategy of allied armies.

The Home was constructed and is equipped for 150 girls, and the desire of the Committee is to maintain the full complement.

The need of such an Institution is apparent from the fact that there is always

a long waiting list for admission.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6d. a year from each Non-Commissioned Officer and Man throughout the Service would provide for the support of a child from every

## OFFICIAL HISTORY OF THE GREAT WAR

# MILITARY OPERATIONS MACEDONIA. Vol. I.

The history of the campaign in Macedonia during the Great War will be completed in two volumes. This first volume follows the fortunes of the Armies in the field down to the Battle of Dojran in April and May 1917. On the political side it includes the deposition of King Constantine of Greece in June, an event which put an end to the division of Greece into two hostile camps and brought her into the War on the side of the Allies.

While the military problems are not less interesting and instructive than those of other campaigns, the student of political affairs will find in these pages an unusually detailed account of the effects of conflicting national policies upon the strategy of allied armies.

The Home was constructed and is equipped for 150 girls, and the desire of the Committee is to maintain the full complement.

The need of such an Institution is apparent from the fact that there is always

a long waiting list for admission.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6d. a year from each Non-Commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

# OFFICIAL HISTORY OF THE GREAT WAR MILITARY OPERATIONS MACEDONIA. Vol. I.

The history of the campaign in Macedonia during the Great War will be completed in two volumes. This first volume follows the fortunes of the Armies in the field down to the Battle of Dojran in April and May 1917. On the political side includes the depending of King Censtantine of Greece in June, an event which put an end to the division of Greece into two hostile camps and brought her into the War on the side of the Allies.

While the military problems are not less interesting and instructive than those of other campaigns, the student of political affairs will find in these pages an unusually detailed account of the effects of conflicting national policies upon the strategy of allied armies.

## Military Widows' Fund. British Service.

This Fund enables a British Service (Army) officer, by subscribing from Rs. 6 to Rs. 10 per quarter, to assure, in the event of his death while on the Indian Establishment, immediate payment:—

To his widow ... ... Rs. 8,775 to Rs. 12,375
For each child ... ... ... 750 to ... 1,125

Payments are made immediately on receipt of report of death, irrespective of death occurring in or out of India.

The sum paid to the widow varies with subscription, and the sum for each child varies with age of child. Subscriptions are based on the rank of the officer.

Benefits are payable whether the deceased officer's family is residing in India or not.

It is to the advantage of an officer to join the Fund on his first tour of service in India, as otherwise, on joining it in a subsequent tour he would have to pay subscriptions for any previous tour in the country as a married officer, but not in excess of four years.

The Fund (late Queen's Military Widows' Fund) was established in 1820, to assist families of British Service (Army) officers dying in India, and mainly to enable them to return home without delay.

The Fund is controlled by a Committee consisting of and elected by subscribing officers serving at Army Headquarters, Simla.

For admission apply to:-

The Secretary,
Military Widows' Fund,
Army Headquarters, Simla.

Lady President—THE MARCHIONESS OF CAMBRIDGE.

President—Field-Marshal H.R.H. THE DUKE OF CONNAUGHT, K.G., &c.
Chairman of Committee—Colonel SIR AUGUSTUS FITZGEORGE, K.C.V.O., C.B.

Deputy Chairman—Major-General H. W. DUPERIER.

Secretary and Treasurer—Brig.-Gen. D. G. PRENDERGAST, C.M.G.,

97, Jermyn Street, S.W. 1.

This Home (opened in February, 1854) was founded in 1851, in memory of H.R.H. Adolphus Frederick, Duke of Cambridge, K.G., to provide a home for widows of Non-Commissioned Officers and Privates of the Army. They are not to be under 50 years of age, but there is no restriction as to religious persuasion.

Since its opening, 474 widows have been elected. There are 70 widows in the Home, in addition to 20 widows receiving pensions. Each inmate has a furnished room, and receives twelve shillings a week and a monthly allowance for coal in addition to other amenities.

The total funded income of the Charity falls short of the estimated average annual cost by about £1,000.

The Committee make an urgent appeal for additional subscribers, as every year a considerable number are lost through death.

Most Corps, Regiments and Regimental Depots make annual subscriptions; but the Committee have also relied upon retired officers, and it is to them that a special appeal is made.

Every person subscribing half-a-guinea annually is entitled to one vote at each election, and a donation of five guineas ensures one vote at each election throughout life.

A candidate for registration for admission to the School must be the son of a warrant officer, non-commissioned officer or man who is serving or has served in the Regular Army, or of an officer who has been promoted from the ranks to a commission in the Regular Army. Preference in general is given to orphans, and to those whose fathers have been killed in action or have died while in the Service or after leaving the Service. # MILITARY WIDOWS' FUND. BRITISH SERVICE.

This Fund enables a British Service (Army) officer, by subscribing from Rs. 6 to Rs. 10 per quarter, to assure, in the event of his death while on the Indian Establishment, immediate payment:—

To his widow ... ... Rs. 8,775 to Rs. 12,375 For each child ... ... ,, 750 to ,, 1,125

Payments are made immediately on receipt of report of death, irrespective

of death occurring in or out of India.

The sum paid to the widow varies with subscription, and the sum for each child varies with age of child. Subscriptions are based on the rank of the officer. Benefits are payable whether the deceased officer's family is residing in India

or not.

It is to the advantage of an officer to join the Fund on his first tour of service in India, as otherwise, on joining it in a subsequent tour he would have to pay subscriptions for any previous tour in the country as a married officer, but not in excess of four years.

The Fund (late Queen's Military Widows' Fund) was established in 1820, to assist families of British Service (Army) officers dying in India, and mainly to

enable them to return home without delay.

The Fund is controlled by a Committee consisting of and elected by subscribing officers serving at Army Headquarters, Simla.

For admission apply to:-

The Secretary,
Military Widows' Fund,
Army Headquarters, Simla.

Adolphus Frederick, Duke of Cambridge, K.G., to provide a home for widows of Non-Commissioned Officers and Privates of the Army. The total funded income of the Charity falls short of the estimated average

annual cost by about £1,000.

The Committee make an urgent appeal for additional subscribers, as every

year a considerable number are lost through death.

Most Corps, Regiments and Regimental Depots make annual subscriptions; but the Committee have also relied upon retired officers, and it is to them that a special appeal is made.

With the exception of the families of Naval Officers, only very few cases arising out of the Great War can be considered at present.

This fund also nominates children of such Officers and Men to Army and Navy Schools.
